Waiver and New Player Information

Accounts must be paid in full by September 1, 2010.. No participant will be placed on a team until the cheque has been received and cleared by our financial institution.

All returned cheques will be subject to a \$50.00 charge.

All house league players are subject to being moved from one team to another for the purpose of balancing teams until December 15th. In the event of special circumstances we reserve the right to make adjustments after the aforementioned date.

Refunds will only be given if requested and submitted in writing to the UYHA office no later than the 15th of October. A \$25.00 administration fee is assessed on all refunds. In the event the jersey and socks are not returned, a \$50.00 fee will be assessed on the refund.

If a player sustains an injury or illness and is unable to participate in the remainder of the season after the 15th of October, a partial refund may be granted. In these cases, the \$50.00 administration fee and a \$50.00 jersey and sock fee will be deducted from the full amount first. The refund will be based on the number of weeks remaining to the end of the season from the date of the written request.

If you are registering a new player to the North Durham Girls Hockey Association, please send or drop off a copy of the player's birth certificate at the hockey office.

We look forward to a great season!
